ELNEC-Core
ELNEC-Pediatric Palliative Care

Two ELNEC Train-the-Trainer Courses

- **ELNEC Core** is appropriate for hospice and palliative nurses, interdisciplinary team members, APRN & staff nurses working in an acute setting, homecare nurses, social workers, chaplains and staff who work with seriously ill individuals and their families, plus educators including nursing faculty, CE providers, and staff development educators.
- **ELNEC Pediatric Palliative Care** is appropriate for those staff members listed above whose concentration is specifically in pediatric care or pediatric palliative care.

Earn **14.25 CEs** for each course, plus
2.25 designated pharmacology hours
